GAS HOLDER NEEDED AT CITY GAS PLANT

Will Cost $35,000—Present Holder In Bad Shape

REPAIR SIDEWALKS

Ordinance Adopted and City Will do Work if Property Owners Fail—Ask $22,000 For Sewer.

The purchase of a holder with a capacity of 200,000 feet was recommended by R. L. Middleton, superintendent of gas, in an address delivered last night before a joint session of the city council. The proposed holder, he said, would cost $35,000. The present holder he explained is in very bad shape and the leakage last month was about twenty-nine per cent and the average loss is only about six to eight per cent he stated. The actual number of feet of gas lost last month as a result of the leaky holder was 1,400,000 feet, he stated Mr. Middleton said that with the purchase and installation of a new holder, which he regards as absolutely essential, the gas plant will be in first class shape. The question was afterward taken up separately by each board and referred.

Councilman Wattles, chairman of the light committee, asked for speedy action on the resolution and although no definite action was taken last night the majority of the members present in both boards expressed themselves as favoring the proposition and it was referred to the committee on light and finance.

City Engineer E. C. Dunn appeared before the joint session and addressed council on needed improvements to sidewalks and other street work. Mr. Dunn presented twenty-six separate ordinances to compel property owners to either place their sidewalks in good shape within ten days after being notified by the city engineer's office or otherwise the work be done by the city and two-thirds be paid by the property owner and the remainder by the city and if not paid the debt to become a lien on the property. It was unanimously passed.

This is the beginning of a crusade to have all sidewalks in the city repaired. The twenty-six pieces of property were picked at random and the others in bad shape will be picked at once and the city will do the work if the property owners fail to comply with the law.

Mr. Dunn also directed the attention of council to the need for remedying conditions to the Oronoco street sewer from Royal street to the river front. If this sewer, also caved in at certain points, would become clogged he said it would cause great damage and take at least a week to clear it.

Afterward a resolution appropriating $22,000 for renewing this sewer was presented and referred to the committee on streets.

When council convened Councilman Baggett asked for the joint session to hear Mr. Middleton and Councilman Lawler asked that the City Engineer Dunn also be invited and this was done.

On behalf of the street committee Councilman Lawler offered a resolution that all street crossings on the steam railroads be safeguarded, the watchman at certain crossings having been removed by the railway company and that the mayor and presidents of each board be appointed a committee to wait on the railway officials and see that the watchmen are replaced The resolution was adopted.

A resolution along the same lines also offered by Councilman Desmond was referred to the special committee. It was stated that the services of five out of the seven aged watchmen at certain crossings have been dispensed with.

Resolution of Councilman Baggett to prohibit parking in front of the Fairfax apartment from King street to the alley in rear of same was adopted on the recommendation of the street committee. Councilman Drury presented an ordinance that two forty candle power lights be placed on Walnut street formerly known as Braddock, within the corporate limits of the city and the Wash

Plan Memorial Room

To Be Tribute to Mrs. M. Adamson, Former Superintendent of Alexandria Hospital

The money from the sale of tickets for the dance to be given March 31, in the Elks' Home, will be added to the fund for the endowment of a Marjorie Adamson room in the Alexandria Hospital.

All old Alexandrians remember the untiring energy, the quick mind and unusual capability of this remarkable superintendent of our old hospital. Born in Scotland, graduating as a trained nurse at a hospital in Edinburgh, she came to this country a very young woman. After a few years of nursing in Washington, wherein she won an enviable reputation, she came to Alexandria and with great skill and ability developed the at that time Alexandria Infirmary into a hospital according to the requirements of the State of Virginia.

It seems not only a duty but an honor to make this room a living memorial. Not only was Mrs. Adamson a great nurse within her own walls, but was ever ready to respond to the sick outside, especially the poor of the town in their homes.

Any donations to this fund will be gladly received by Miss Mary E. Carlin and Miss Constance Boush.

THE REVIVAL MEETING

The meeting at the First Baptist Church was largely attended and very impressive. Little emphasis has yet been placed on inviting the unchurched, but rather has the evangelist been speaking to those whose names are on the church rolls. Rev. Mr. Cole emphasized the great desire that possessed the Apostle Paul for the Salvation of the lost, and declared that a burning passion for souls must precede any great work of grace.

The services are undoubtedly growing in power and effectiveness, and great spiritual blessing is expected. The song service begins at 7:45. Members of all churches are invited.

Show Tomorrow

Affair to Raise Funds For Athletic Field of High School

Did you ever see a variety show? One of those shows that is the spice of life?

The Junior class of Alexandria High School will give a Variety Show in the Young People's Building tomorrow night at 8 o'clock.

It is a "perfect scream" from "Alpha to Omega." The "Baby Show" is perhaps the most humorous number on the bill "Chocolate Drops" has Al Jolson beat "all hollow." Besides these two numbers there are five other equally as unique and humorous numbers. The proceeds will go to the Stadium Fund.

Tickets may be obtained from any member of the Junior Class. Admission 25c.

Presbyterian Chapel Services

There was a good congregation at the Presbyterian Chapel on Commerce Street last night and the pastor, Rev. Dr. John Lee Allison, spoke on the "personal element in Christian work." He will speak again this evening and there will be a gospel song service.

Proposed Factory

Washington Tire And Rubber Co., Has Acquired Site

Visions of a modern up to date building, plans for which have already been drawn, employment for in the neighborhood of 300 highly paid men, at least 200 of whom will probably bring their families to this city and a quickening of the pulse of mercantile trade in the city, are conjured up by the plans of the Washington Tire and Rubber Corporation, and, if present plans are worked out, Alexandria will see the consummation of this vision with in the coming ten months.

These were the statements made by Frank S. Flynn, president of the corporation to a representative of the Gazette yesterday afternoon. Mr. Flynn was on a visit to the office in this city and stated that everything was going along nicely.

The company has purchased seven and a quarter acres of land from E. Hunt Roberts, of Fairfax county, just outside the limits of the city and already the company's architect has visited the place and has drawn plans for a modern, three story factory building, where the company plans to manufacture automobile tires and tubes, hot water bottles, rubber heels and fountain syringes.

Mr. Flynn has spent several years of his life in the tire manufacturing game and at the present time has an offer to bring his factory to Hopewell, Va., and an offer of considerable monetary assistance should he be inclined to locate there. He stated yesterday that Alexandria had been chosen as the spot for the erection of the plant because of the natural facilities for shipping, which would cut freight costs almost to a minimum.

Mr. Flynn demonstrated the theory under which the company expects to manufacture tires and tubes in the presence of a representative of this paper, taking a casing and tube, the latter being pumped up to capacity, drove a nail through the casing an dtube and pulled it out without a bit of the air escaping. An attempt was also made to break the rubber covering of the casing, but this could not be done.

Other tests were forthcoming, but the tube and casing stood every one of them.

POLICE COURT NEWS

James Thompson reported the loss of an automobile to the authorities yesterday and two white men who took the machine were apprehended and turned over to Policemen Durreer and Lawrence Padgett and Chief Goods turned the men over to the Camp Humphreys authorities.

A young white woman, who said she was from Norfolk, was sent to jail for 30 days under the vagrancy act.

A white man cited by Policeman Snellings for permitting waste paper to be thrown on the streets, was acquitted.

Performance Tonight

The "Upper Room" Will be Given at Lyceum Hall

Everything points to a large attendance at the Passion Play entitled, the "Upper Room," which will be presented tonight at 8 o'clock at the Lyceum Hall under the auspices of the Catholic Women's Service Club of Washington. The play comes well recommended, and it is expected that a large audience will witness the production. This will be the first presentation of the play in this city.

Those who have never seen the play should not miss tonight's performance as it will be here only one night. As heretofore stated in the Gazette the play was written by Mgr. Benson.

PASSION PLAY

"The Upper Room," will be presented in Lyceum Hall Wednesday, at 8 p. m. A wonderful religious production, text after Mgr. Benson. Thirty actors, students of Georgetown University and Trinity College. A regular $2 or $3 show replete with the purest religious emotions. Inquiry Into Espionage System Halted By R. R. Labor Board

QUESTIONING HALTED

Philadelphia Executive Stands Firm Against Closed Shop—Takes Fling at Union

Chicago, March 23.—Brigadier General W. W. Atterbury, vice president of the Pennsylvania lines, testified before the Railroad Labor Board yesterday that his railroad "maintained an extensive spy and espionage system among its employees" and that it "had little arsenals at various points where guns and ammunition were kept."

Testimony was given during cross-examination by Frank P. Walsh, labor attorney, who charged that the Pennsylvania road spent $800,000 a year in maintaining a police system and that much of this really was used in keeping up a system of spies and espionage.

Mr. Walsh was unable to question deeply into the matter as Judge R. M. Barton, chairman of the board, held that the subject did not come under the question before the board.

After General Atterbury had admitted the truth of Mr. Walsh's statements concerning spies and arsenals, Mr. Walsh asked:

"How much a year did you spend on this work as distinguished from police protection?"

"I don't know," was the answer.

"But you had little arsenals at various points where you kept guns and ammunition?"

"Right," replied General Atterbury.

Judge Barton then interrupted. Mr. Walsh said he was asking his questions to show that there was discrimination against union employees and that "a situation might arise and had arisen in which there would be disputes on the Pennsylvania between employer and employees despite General Atterbury's statement that the men on that road all grew up together and were harmonious."

Judge Barton, however, refused to permit further questions on the subject.

A copy of the letter said to have been written by I. V. Greer general manager of the St. Louis-Columbus division of the Pennsylvania lines, ordering his supervisory employees to "even resort to defamation of all labor unions" if necessary to obtain information of their attitude in regard to proposed wage cuts was read before the Railroad Labor Board today by Mr. Walsh.

Railroad officials at the hearing immediately denied authenticity of the letter. E. T. Whiter, chairman of the Association of Railroad Executives conference committee called Mr. Greer by telephone and then announced that Mr. Greer denied he had ever written such a letter. Mr. Walsh did not say where he had obtained his alleged copy.

General Atterbury read a notice he said had been posted by labor leaders and which notified employees of the six mechanical crafts that there would be no seniority provisions for men who were not members of organizations of the railway employees department, which negotiated the national agreement. General Atterbury charged that this was an attempt by

Olivet To Calvary

Beautiful Oratorio to be Rendered by Choir of Methodist Episcopal Church South Good Friday Evening

The choir of the Methodist Episcopal Church South will sing Maunder's "Olivet to Calvary" Good Friday night at 8 o'clock. This solemn musical production has not been often heard in Alexandria, and the public is cordially invited to hear the rendition of what is claimed to be one of the prettiest and most brilliant oratories ever written.

Edgar Priest, A. R. M. C. M., choirmaster of the Washington Cathedral, will preside at the organ and for the offertory will render the inspiring Chopin's "Funeral March." He will be assisted by Mrs. George E. Warfield, the regular organist of the church, who invited Mr. Priest to play the service.

The soloists for the occasion are Mrs. Harrie White, soprano, Kenneth W. Ogden, tenor, and Wilmer J. Waller, baritone, who with Mrs. Thomas A. Hulfish, the regular contralto soloist, will also sing the quartette from the same work, "O Thou Whose Sweet Compassion."

The chorus has been augmented by several voices and is composed of the following:

Sopranos—Mrs. E. E. Carver, Mrs. Harry B. Caton, Mrs. Dexter Forbes, Mrs. John G. Graham, Mrs. O. H. Kirk, Mrs. C. E. Outcalt, Miss Nellie Pierpoint, Miss Jane Saunders, Miss Margaret Saunders and Mrs. Harrie White.

Altos:—Miss Belle Browing, Miss Margaret Germond, Mrs. Jesse Hayes, Mrs. T. A. Hulfish, Mrs. George E. Warfield and Mrs. Wooster.

Tenors—Messrs. E. S. Billhimer, Edward Dunn, R. S. Luckett and Kenneth W. Ogden.

Bassos:—Messrs. H. W. Davis, M. L. Dinwiddie, Dr. C. E. Outcalt and Wilmer J. Waller.

The congregation is requested to be seated in the church a few minutes prior to 8 o'clock, if possible, and as stated above the music loving public of this city, is cordially welcome.

Turner Must Die

Slayer of Morgan Moore Will be Sentenced in April

Richmond, Va., March 23.—The mandate ordering the execution of William H. Turner, colored, of Washington, for the murder of T. Morgan Moore, of Alexandria, on April 26 last, and confirming the verdict of the United States district court here, yesterday was received from the United States circuit court of appeals, by the clerk of the district court.

On account of the original date of Turner's execution, which was set as December 10, having expired before the court of appeals acted on the motion of his attorneys for a new trial, under the law it was necessary for Turner to be resentenced

Judge Waddill is now in Danville conducting the March term of federal court at that place and will return to Richmond Friday. He is expected to set the date of Turner's execution as soon as he returns, but under the law must allow 30 days for the doomed man to prepare himself for death.

Turner killed Moore on the night in question as he sat in his automobile near the Virginia end of the highway bridge from the nation's capital and then attempted to assault his fiancee, Miss Pearl Clark, private secretary to Congressman Britten, of Illinois, who was with Moore at the time.

Fire Last Night

Bucket Brigade Formed in Arlington County

Fire leveled a frame storehouse containing wagons, lumber and equipment of L. Morgan Johnson, building contractor, and threatened two adjoining residences on Johnson Hill, just south of Arlington Cemetery on Columbia pike, in a spectacular blaze which lighted the skies and attracted hundreds of spectators last night about 10:20 o'clock.

Quick action by the Fort Myer fire company, which formed a bucket brigade, and companies from Arlington, Clarendon, Ballston and No. 16 Engine Company, of Washington, saved residences on either side which caught fire several times from flying sparks. The storehouse was enveloped in flames when discovered by neighbors and burned to the ground in less than an hour, entailing a loss estimated at $5,000, not covered by insurance. The structure was owned by David Brown, of Clarendon.

The family of J. J. Crosby was sleeping in a house owned by Gus Buchholz, local hotel proprietor, when the alarm was sounded. Mrs. J. R. Robinson lived in a house owned by Morgan Johnson, on the other side. Blazes on roofs of both houses were quickly extinguished. Origin of the blaze was unknown last night.

RIGID GRAIN BLAST INVESTIGATION DUE

Chicago, March 23.—Four investigating bodies, city, county, State and national, are now at work undertaking to discover the cause of the explosion in the Armour grain elevators, which cost six lives and $1,000,000 property loss.

The State fire marshal is paying particular attention to various rumors that the fire might have been the result of labor troubles. This theory is strengthened by the fact that all fires in the elevator buildings had been extinguished hours before the explosion.

SAILOR SUSPECTS BEING BROUGHT BACK

Heavily Manacled Quintette Held In Communicado In New Orleans

CAPTAIN TELLS STORY

Men Were Arrested by Federal Order on Way to Rio Janeiro, Says Captain.

New Orleans, March 23.—Held in separate cells in the New Orleans Parish Prison last night were five men who classified themselves as seaman, but who Captain J. H. B. Van Weeldern, of the New York and Cuba Line freighter Rushville, said, and Department of Justice officials intimated, might be wanted in New York in connection with the investigation of the Wall street plot of last September 16.

Shackled hand and foot, the men were taken from the steamer Rushville yesterday, hustled to the Parish Prison and booked under the following names: Philip Bender, Lionel Kuebreezuff, Rudolph Dorsh, Hans Randin and Henrik Lipan. They were then held incommunicado.

After Captain Van Weeldern had related the manner in which the men were captured and the difficulties encountered in moving them from Rio de Janeiro to New Orleans he, too, became uncommunicative and last night would make no further statement. Department of Justice officials said they were "awaiting instructions."

Last Saturday when the Rushville was approaching this port the matter wirelessed the Department of Justice requesting that they care for five "consular prisoners." Elaborate preparations were made for handling the captives and they were treated as desperate men from the time Feedral officers took them over from the ship guard under which they were in charge.

Orders issued by the master of the Rushville were that no member of the crew should discuss the prisoners with outsiders under penalty of salary deductions. The captain, however, related the circumstances leading up to his acceptance of the men as involuntary passengers.

Late last month, according to Captain Weelders, the United States Shipping Board steamship City of Alton, then nearing Rio de Janeiro, received a wireless message, presumably from officials of the United States Government, requesting arrest of the five men. A fight started and, according to Captain Van Weeldern, it was with extreme difficulty that the men were subdued, placed in irons and taken to Rio de Janeiro, where they were imprisoned.

The American Vice Consul at Rio de Janeiro, according to Captain Van Weeldern, requested the Munson line steamer Yoro to take the quintette to New York, where it was said they were "wanted." Still heavily guarded the men were placed aboard the Yoro and in some manner, according to the Rushville captain, started a furious fight. The Yoro's master then speedily returned them to the Rio de Janeiro jail.

About that time the Rushville came in to load coffee for New Orleans, and Vice Consul Thomas managed to persuade Captain Van Weeldern to attempt transportation of the prisoners.

"We accepted, and here they are," the skipper concluded.

The prisoners, apparently between 25 and 35 years of age, were said to be for the most part well educated, some speaking several languages.

The officers of the Rushville spent the day and part of last night in the offices of the Department of Justice. No indication was given as to when the prisoners would be taken to New York, orders apparently being awaited.

Aside from a reporter from an afternoon newspaper who managed to talk to one of the men and was able to peer through some of the baggage before he was excluded from the parish prison, no one outside of Federal officials has talked with the men.

TO-DAY'S THOUGHT. Novels are sweets. All people with healthy literary appetite love them—almost all women; a vast number of clever hard-headed men. Judges, bishops, chancellors, mathematicians, are notorious novel-readers, as well as as young boys and sweet girls, and their kind, tender mothers.

Pitiless Publicity for Packers.

We treated in a recent editorial of the troubles of the railroad executives. The great packing industries of the country are likewise in hot water. Their problems, however, are not so difficult as are those of the railroads. We believe that they can settle most of their difficulties by a pitiless publicity, and a rigorous statement of the truth in all cases. The leading packers, such as Swift and Armour, seem to have somewhat of this idea. They advertise freely in the newspapers and magazines, and they send out broadcast at frequent intervals, statements as to their condition. These statements are both explicit and interesting. They deal with supply and demand; with raw material and the many products manufactured therefrom; with their gross and net profit with their resources, their inventories, their reserve funds, and their dividends.

The public are not quite educated up to the point as yet, however, where they believe all that is told them. Knowing the many skilful ways in which statistics can be handled, they are uncertain as to the spirit of the figures, even if their matter be correct.

The packers are traveling in the right path. But woe unto them should they ever be found guilty of deceiving practices! We hope, we believe, they are shrewd enough to see this. For the approval of the masses of the people is their only salvation, as it is of every industry which enters into human existence as a daily necessity.

J. P. Morgan, the Ku Klux Klan And Youngest Descendant of Thomas Jefferson Contribute To U. of Va. Fund

Charlottesville, Va., March 23.—J. Pierpont Morgan, head of the New York banking firm which bears his name; the Knights of the Ku Klux Klan; and the youngest living descendant of Thomas Jefferson, founder of the University of Virginia, contributed today to the University's Centennial Endowment Fund.

Mr. Morgan's gift came in the form of a $10,000 check received at Klan headquarters. The Knights of the Ku Klux pledged $1,000 in a mysterious communication to Dr. Edwin A. Alderman, president of the University, and the Rev. Karl Morgan Block, rector of St. John's Church, Roanoke, Va., forwarded a check to the University on behalf of his seven weeks old son, Karl Morgan Block, Jr., who has the distinction of being the youngest living descendant of the third President of the United States.

The Klansmen's contribution was in second mysterious gift from an organization whose personnel and character are unknown. The first offering of this kind was from the Seven Society and was unearthed by U. S. Senator Carter Glass in the middle of Lambeth Field. It consisted of $777.77 in cash and was dug up in front of 5,000 spectators at a football game.

The Knight's "communication was signed "Knights of the Ku Klux Klan, University, Realm of Virginia, Invisible Empire, 15 March, Year of our Lord 1921, Year of the Klan LV."

It read: "Believing in the highest principles of liberty, justice; truth and fraternity among mankind; aiming at the ideal of decency and cleanliness in life and character; cherishing that soul of honor which is Virginia's heritage; and filled with the deepest devotion to the University as an institution which inculcates virtue and fosters pure American patriotism, we, the Knights of the K. K. K., pledge the sum of one thousand dollars ($1,000.00) to the University Gymnasium Fund, to be paid on or before the first of January, 1926. We dedicate our gift to the bodies and souls of Virginia's manly men—those who now enjoy the effulgence of the light of life and those who wait among the sable shadows of death.

"Subscribed to by his aulic excellency, the exalted cyclops, his twelve terrors and his faithful, mystic klansmen."

NEW YORK FARM WAGES DROP 40 PER CENT

Albany, N. Y., March 23.—Wages for farm labor in New York State have dropped an average of 40 per cent this year as compared with last year, according to George E. Hogue, State commissioner of agriculture.

This year the scale ranged from $50 to $60 a month without board and $30 to $50 a month with board.

labor leaders to throttle their men.

Mr. Walsh inquired concerning standards of classification in railroad labor, asking the Pennsylvania offical if he thought the labor board could establish such standards.

"It can't establish any such standards to cover the country," Mr. Atterbury said. He said he thought it could establish standard for one road, such as the Pennsylvania, and admitted the power of the board under the law establish wage standards.

"No board can establish a just wage standard that is national in scope, however," he added.

Mr. Walsh and Mr. Atterbury spent most of the morning session in verbal sparring, the Pennsylvania vice president always beginning questions of his own whenever Mr. Walsh seemed to be attempting to corner him. To most of Mr. Walsh's contentions concerning justness of working conditions he replied that "that might be true and undoubtedly could be settled in negotiations between the individual roads and their employees."

"Taking into consideration the immense mileage of the roads and their 1,500,000 employees, wouldn't the fact that there have been only 175 cases in dispute before this board in a year indicate quiet and rest on the railroads?" asked Mr. Walsh.

"No," answered General Atterbury "That only indicates that the people in Washington making decisions gave the men every blessed thing they asked for."

The subject of the closed shop precipitated a lengthy argument in which several members of the board joined and which brought out further charges by General Atterbury that the unions were attempting the establishment of the closed ship. The witness read from a bulletin of the railway employees' department of the American Federation of Labor which stated that no shop craft employee not a member of the union could exercise his seniority rights.

"That is a clear attempt to force the men into the unions." Atterbury declared. "I am against the closed shop, either a closed union shop or a closed non-union shop."

NOTICE TO THE PUBLIC

The Washington and Old Dominion Railway will, on Thursday, April 7, 1921, at 10 o'clock A. M., apply to the State Corporation Commission in its courtroom in Richmond, to make the following increases in passenger fares:

From Rosslyn, Va., to El Nido, Va., and points intermediate thereto To stations Balls Hill to Great Falls, Va., inclusive, and return on days other than Sunday and legal holidays, from 42 cents to 46 cents, increase 4 cents per round trip (not to exceed regular local fares between intermediate points westbound.)

To cancel all fares on quarterly commutation 156 trip tickets between Alexandria and St. Elmo, Va., on one hand, and stations on Bluemont Division on the other hand

To increase the monthly commutation 46 trip tickets between McLean, Va., and stations Franklin Park to Peacock, Va., to 6 2-3 cents per trip, where now less.

To increase one way ticket fares between all stations in Virginia to 8 cents, where now less.

The increases sought were approved by the Interstate Commerce Commission and are now in effect on interstate traffic. It is now proposed to advance the intrastate fares to the level of the interstate fares. Washington and Old Dominion Rwy 76-76 c.

GOOD BLOOD NEEDED IN SPRINGTIME

People With Poor Appetite, Bad Complexions and "Spring Fever" Need a Blood Tonic

Gude's Pepto-Mangan is Best

Makes Rich Red Blood—Renews Vitality and Increases Body's Resistance to Disease

Spring is the time when good blood is so vital to health. If you do not feel the thrill of Spring in your blood, if you take no pleasure in living, if your appetite is poor, your complexion pallid or muddy, and you tire easily, you can be pretty sure your blood is not up to the mark. So many feel that way in the Spring. Especially housewives who have so much work to do. They get over-tired and run-down—their blood becomes weak and thin.

Build up your health now by taking that splendid Spring blood tonic, Gude's Pepto-Mangan. It will give vital power to the red corpuscles in your blood. They will go racing through your blood, carrying fresh supplies of oxygen to all the tiny cells It will help improve your color and your appetite. You'll take more interest in things and enjoy life more You will stop going around with that tired, all-gone feeling.

Physicians have prescribed Gude's Pepto-Mangan for thirty years. You can get it at your druggists in either tablet or liquid form. Take whichever you prefer. They have the same medicinal value. Get the genuine.

Harry St. George Tucker For Increasing Pension

Richmond, Va., March 23.—A letter from M. A. Kean, Pendleton, Louisa County, was received at the headquarters of Harry St. George Tucker, Murphy's Hotel, yesterday, in which the writer, after stating that he heartily indorsed the Tucker platform ,asks this question: "How do you stand toward an adequate pension for the few old men who are left to us, who wore the gray?"

To this letter Mr. Tucker replied: "I beg leave to say that I am heartily in favor of an increased pension being granted by the General Assembly to all the old Confederate soldiers. Even if an increased pension to them would add materially to the burdens of the State, I feel quite sure that the people of Virginia would cheerfully accept this burden. As a matter of fact, however, these old soldiers are so rapidly passing away that an increased pension to them would not, I think mean any material increase in the appropriation as a whole."

Manager Leake said last night that many letters and telegrams were pouring into headquarters every day, indicating unabated enthusiasm among the friends and supporters of Mr. Tucker in every section of the State.

BIBLE BARS LOVE? COURT TO DECIDE

Minneapolis, Minn., March 23.—District Court judges are to decide if the Bible forbids a woman to love a man, pjarticularly if that man be her husband.

John A. Dunn, of this city, yesterday asked the court to award him $100,000 as proof that the Bible contains no prohibition against marriage.

Legion Will Aid in Slacker Prosecution

Bulletins containing the names of Virginia's draft-dodgers will be sent to all local post of the American Legion in Virginia as soon as they are made public by the War Department, according to an announcement by the Virginia department headquarters in Richmond. Local posts will be instructed to render every possible and immediate assistance to the "duly constituted authorities" to the end that no draft-dodgers or slackers are permitted to follow in the steps of Berggdoll.

"Every one will be given the benefit of every doubt, and the lists will be carefully checked," the statement said, "Every possible effort will be made to see that the reputation of no ex-service man is sullied by error but on the other hand the legion posts will be called on to their duty. We want every man guilty of military evasion behind the bars in twenty-four hours after the list of names is made public, In this policy we believe that American public opinion, to the last man and women, will be with us."

Leesburg Prepares For Virginia Teachers' Meet

Purcellville, Va., March 23.—Extensive preparations are being made for the Eighth Virginia Teachers' Convention, officially known as District H, which will meet in Leesburg March 31 and April 1. IN MEMORIAM

BONDEN—In sad but loving remembrance of my dear daughter, MILDRED CHAPMAN BONDEN, who departed this life four years ago today, March 23, 1917.

The month of March once more is here,
To me the saddest of the year,
Because four years ago today,
My dear child passed away.
Dearest sister, thou hast left us,
Here thy loss we deeply feel,
But 'tis God that hath bereft us,
He can all our sorrows heal.

70-1p. Her Mother and Sister.

IN MEMORIAM

In sad but loving remembrance of our dear little granddaughter, DOROTHY H. LEWIS, who departed this life four years ago today, March 23, 1917.

Four years ago today,
Our darling went away,
And Oh it grieves us to our hearts,
But still we know we all must part
But then the thought
That more refrain,
Some day we will meet
To never part again.

By her devoted grandparents,
70-1p. Mr. and Mrs. Arthur Lewis.

DIED

Thomas H. Ball, the beloved husband of Mary Ball, departed this life Tuesday, March 22nd, 1921, at his late residence, 526 Gibbon street Funeral Friday, March 25th, 1921, from Shiloh Baptist Church, at 1 p. m. Rev. James H. Marshall will officiate. Interment in Bethel cemetery. Friends and relatives invited.

70-1p.

IN MEMORIAM

In loving remembrance of our dear son and brother, ROBERT ALTON ELLIOTT, who departed this life two years ago today, March 23, 1919.

Home at rest, so sweetly sleeping,
In thy Savior's tender care,
Where there is no pain or sorrow
None on earth can harm you there
Sleep on dear Alton, and take thy rest,
It is sweet to breathe thy name;
In life we loved thee dearly,
In death we do the same.

Mother and Father.

Two years have passed since that sad day,
Our dear brother was called away
So patient, tender and kind,
What a beautiful memory he left behind,
God called him home, it was His will,
Within our hearts he is with us still,

70-1p. Sister.

Read This If Your Kidneys Need Help

Men and women past 30 years of age, and even younger, who work at confining, indoor occupations are susceptible to weakened, inactive or sluggish kidneys that fail to properly cleanse and purify the blood. Symptoms of diseased kidneys are puffiness under the eyes, sallow skin, floating specks, dry mouth, biliousness, nervousness, backache, rheumatic pains, swollen or stiff joints, sore muscles. Many bed-ridden sufferers owe their condition to their failure to take heed of the first warning of kidney trouble.

WANTS PEOPLE TO KNOW

"I cannot praise your kidney pills enough for the wonderful benefit I have derived from their use for such a short while. Please publish this statement as I want the people of Rocky Mount and everywhere to know of Foley Kidney Pills."—Mrs. A. G. Wells, R. F. D. 5, Box 90, Rocky Mount, N. C.

FOLEY KIDNEY PILLS

invigorate, strengthen and heal inactive, weak and diseased kidneys and bladder. They help the kidneys in their work of purifying the blood stream and casting out poisonous waste. Clean blood makes possible good circulation, healthy nerves, strong back, clear head, active brain, sound heart, satisfactory digestion and perfect health.

VIRGINIA STUDENTS AT COLUMBIA UNIVERSITY

New York, March 23.—Columbia, the nation's largest storehouse of learning, is planning a brilliant summer season of scholarship, in which the South will be a leading factor.

For six weeks, beginning July 5, scholars from practically every institution of higher education in this country will join with distinguished men and women of letters to form an all American faculty, which in teaching classes whose aggregate numbers are expected to exceed 10,000, shall reflect definitely the passing of the war curricula and emphasis anew the devotion of American intellectual effort to the traditional fields of arts, letters and science.

Columbia's summer school will be a university of universities. Also it will be a world clearing house of educational endeavor. Every state in the Union will send students, and from all the important foreign nations, particularly the British Dominions and the Orient, will come students and scholars to work in the laboratories and class rooms of western civilization.

Graduates of European and Eastern Universities will pursue graduate courses in law, economics and diplomacy side by side with an army of teachers from the South and West who forego the major part of their vacation to labor in specialized spheres at Columbia.

Associated with professors from Columbia, Harvard, Yale, Chicago, Johns Hopkins, Wisconsin, Amherst, Dartmouth, Minnesota and other institutions will be distinguished American authors and scholars, including Augustus Thomas, playwright; William Allen White, Kansas editor; Robert Frost, Amherst poet, Ellery Sedgwick, editor of the Atlantic Monthly, and Paul Elmer More, author of Princeton.

These, and other representatives of American letters, will give 21 conferences to a group of 390 selected students under the auspices of the Columbia Department of English and Comparative Literature These conferences, unique in university training, will picture the range and achievement in English language and literature in America. Greater emphasis will be placed upon the teaching of English than at any previous Columbia Summer Session. Added luster will be given to this Columbia setting by the labors of Columbia University scholars in preparing a definite edition of the works of John Milton.

Preparation of this edition is styled a scholarly achievement of the first rank. Its conception at Columbia dates back to 1910 and when finished will embody the first complete edition of the works of one of the two English poets of the first class The Columbia University Milton has brought renewed discussion of the relative importance of the literature of Shakespeare and Milton. Professor William P. Trent, one of the editors of this edition, asserts that Milton was the greatest of English poets, explaining that the greatness of a poet is to be judged not only by the poetry he writes but by the character and importance of the influence he has on the lives of others

More than 1000 courses will be taught at the Colombia Summer Session by hundreds of teachers. These courses embrace practically the entire scope of higher education as well as a broad sphere of elementary and intermediate subjects. Business topics will be stressed and special courses are being arranged for New York business men.

Elaborate arrangements have been made to house the largest student summer community ever assembled at Columbia. The curriculm covers subjects as widely variant as Assyrian and architecture, cancer research and mathematics, philosophy and textiles, fine arts and child study, music and cookery and mammalian physiology and religion.

From Virginia a large contingent of students and teachers is expected, Director John J. Coss, of the Summer Session, announces. Among Virginia scholars who will be represented on the Summer Session Faculty are M. Elizabeth J. Czarnomska, professor of Biblical and comparative literature, Sweet Briar College, Va., who will give courses in the Semitic language; and Henry H. Fuchs, professof music, Hollins College, Hollins, Va., who will give courses in music.

Arrangements for caring for Virginia students are being made in cooperation with the Virginia State Organzation of the Summer School, of which W. D. Ellis, City Normal School, Kensington and Belmont Avenues, Richmond, is president; Miss Ruth Harding, Emporia, Va., vice president; and Samuel T. Emory, of Goldsboro, North Carolina, secretary. Under the auspices of this organization many social affairs including excursions, dances and receptions are being planned.

A large number of the applications for admission to the summer school from Virginia are from teachers, graduates of other universities who wish to pursue advance work and students who aim to broaden their college course by summer instruction.

Ex- Kaiser's Cousin Again Bobs Up In Course Row in Cafe

Naples March 23—Prince Joachim Albrecht, of Prussia, a cousin of former Emperor William, who was arrested and fined in Berlin last spring for provoking an attack on the French mission, in the dining room of the Hotel Adlon had an unpleasant experience while taking tea at a hotel here last evening.

Prince Joachim, who had been listening to the orchestra in the dining room while seated at a table, arose from his chair and approached the orchestra leader, intending to ask for the playing of a special piece of music. As he advanced, however, Mascime Base, correspondent of the Paris Excelsior, stepped in front of the Prince and stopped him, exclaiming:

"Aren't you ashamed to show yourself here among our Italian friends after the incident at the Hotel Adlon at six months to a year ago in Berlin?"

The Frenchman retreated and called to the orchestra to play the Marseillaise; then as Prince Joachim and Mr. Base apparently were about to grapple with each other some of the spectators stepped in and separated them, closing the incident.

Agreement Looked For In Packing Dispute

Washington, March 23—Settlement of the labor dispute in the packing industry appeared to be well on the way to accomplishment tonight. Although the strictest secrecy surrounded the negotiations at the Labor Department, it would not be surprising if an agreement was announced tomorrow.

The probable basis of the agreement according to the best information available last night, will be:

ANNUAL MEETING

The annual meeting of the stockholders of the Alexandria Real Estate and Investment Corporation for the election of a Board of Directors for the ensuing year and the transaction of other business, will be held at the rooms of the Chamber of Commerce, Alexandria, Virginia, Monday, April 11, 1921, at 3 o'clock p m.

W. Albert Smoot, President.
William F. Woolls, secretary.
57-12c.

Second—Continuation of the eight-hour day.

Third—Acceptance on the part of the employees of the wage reduction already declared by the employers.

Early today Secretary Davis was cicseted with Redmond Brennan and Dennis Lane, representing the employes, and later talked with J. Gregory Condon and Carl Meyer, attorneys for the packers.

Edward Morris, president of Morris & Co., issued a statement today calling for a disinterested and nonpolitical investigation of the packing industry to set at rest the agitation concerning it.

ANOTHER ALEXANDRIA CASE

It Proves That There's A Way Out For Many Suffering Alexandria Folks.

Just another report of a case in Alexandria. Another typical case. Kidney ailments relieved in Alexandria with Doan's Kidney Pills.

N. W. Simpson, 1513 King street, Alexandria, says: "It was a good many years ago that I first had kidney trouble and I got so I could hardly get out of bed. The pain and misery I went through were terrible. My back was lame and so sore I could hardly touch it. It hurt me to bend over and I had terrible headaches. Some days I was so nervous I would shake like a leaf. The kidney secretions were in bad shape. Sometimes they were scanty and then I would have swelling of my feet. My feet would get twice their natural size and I couldn't get on my shoes. I was all worn out and didn't have the ambition to work. A friend told me about Doan's Kidney Pills and I got two boxes at Ashton's Drug Store and took them according to directions. They helped me so much I got three more boxes of Doan's and they entirely cured me. Since then I have worked every day and have been in fine health."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Simpson had. Foster-Milburn Co., Mfgrs., Buffalo, N. Y.

Blankets of Asphalt Cover Waves of Gulf

Velasco Texas March 23.—Fishermen returning from Quintana Beach yesterday reported the arrival upon the coast of thousands of tons of asphalt, borne upon the waves of the gulf. Blanket-like strips of 25 to 50 feet in length and various in thickness up to several feet have been cast up along several miles of the beach, they reported.

H. J. Parks, one of the fishermen, experienced difficulty in making his way through the surf to shore after the first strip of asphalt had bobbed him over.

The temperature of the asphalt indicated its origin was close to the coast according to the fishermen. The beach for a stretch of approximately ten miles has taken on the characteristics of a motor speedway.

DODSON WARNS CALOMEL USERS

It's Mercury! Attacks the Bones, Salivates and Makes You Sick

There's no reason why a person should take sickening, salivating calomel when a few cents buys a large bottle of Dodson's Liver Tone—a perfect substitute for calomel.

It is a pleasant, vegetable liquid which will start your liver just as surely as calomel, but it doesn't make you sick and can not salivate.

Children and grown folks can take Dodson's Liver Tone, because it is perfectly harmless.

Calomel is a dangerous drug. It is mercury and attacks your bones. Take a dose of nasty calomel today and you will feel weak, sick and nauseated tomorrow. Don't lose a day's work Take a spoonful of Dodson's Liver Tone instead and you will wake up feeling great. No more biliousness, constipation, sluggishness, headache, coated tongue or sour stomach. Your druggist says if you don't find Dodson's Liver Tone acts better than horrible calomel your money is waiting for you.

Doctor Dies in Bank, Wife Ends Life By Gas

Atlantic City, N. J., March 23.—Mrs. Samuel Owens whose husband, a former wealthy Pittsburgh physician, died of heart failure in the Ventnor National Bank yesterday, was found lifeless at 1.30 o'clock this morning in a gas filled room at her home 108 South Frankford avenue. Investigation by the Ventnor police revealed that the woman had committed suicide. She was distracted because of the sudden death of her husband and is believed to have been temporarily deranged. Mrs. Owens was alone at her home with the body of her husband all her relatives being in Pittsburgh.

It is probable the couple will have a double funeral. Mrs. Owens' parents are said to live in Pittsburgh.

Court Rule Robs U. S. Of Millions in Texas

Washington, March 23.—Decision of the Court of Claims that a taxpayer may deduct all inheritance taxes from his income involves hundreds of estates from which the government has collected "great sums of money," Solicitor General Frierson said today in asking the Supreme Court to advance the hearing on the appeal to April 11.

The case upon which the decree was entered against the government was brought by Senator Oscar Underwood of Alabama, and other executors of the late Joseph H. Woodward. The income taxes paid on the returns from that estate alone amounted to $165,000.

GIBBONS' ILLNESS TAKES UNFAVORABLE TURN

Baltimore, Md., March 23.—Physicians attending Cardinal Gibbons announced last night that his illness had taken an unfavorable turn. They said, however, they believed there was no immediate danger, but they made it plain that they were not encouraged by his symptoms.

Monsignor John Bonzano, the Apostolic Delegate at Washington, visited the Cardinal yesterday after noon.

The unfavorable change in the Cardinal's condition occurred last Sunday night, when his heart action became weaker and his temperature lowered to a serious degree. It was hoped that the bad turn would prove to be only temporary and no announcement of his condition was made until this evening, for fear of alarming his friends unnecessarily.

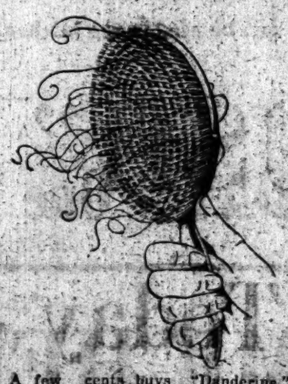
As no marked improvement has been shown in the last 24 hours, however, it was decided by Bishop O. B. Corrigan, Vicar General of the diocese, that it would be well to let the friends of the Cardinal know the unfavorable state of affairs.

Cardinal Gibbons, who is in his 87th year, suffered a physical break down last fall, due to close application to diocesan affairs, and in December went to the home of friends in Carroll county for a rest. He was taken seriously ill while there and on two occasions his life was despaired of, but his naturally strong constitution prevailed and he was able to return to his home here about the first of January. From that time until the present he seemed to improve in health.

Exceeding Instructions.—Employer—"George, I want to speak to you regarding your attentions to Miss Sweetly during office hours. I engaged you as billing clerk. No cooing was mentioned. That's all for the present."—London Mail.

DANDERINE

Stops Hair Coming Out; Thickens, Beautifies.



A few cents buys "Danderine." After an application of "Danderine" you can not find a fallen hair or any new life, vigor, brightness, more color and thickness.

"Suicide By Inches"

Thousands of people commit suicide by inches!

If you took minute daily doses of some poisonous drug, no particular effect might be noticed until accumulation of the poison made its action evident.

Yet how many realize that poisonous substances are formed constantly during digestion and the preparation of the food waste for elimination.

If the bowels act regularly and thoroughly poisons are eliminated. But if constipation exists, there results stagnation of intestinal waste; germs multiply; and poisons are formed and carried by the blood to every cell of the body.

The victim of self poison commits suicide by inches. Pills, castor oil, laxative waters and salts only force and irritate the bowels, and make constipation a habit.

Nujol works on an entirely new principle.

Instead of forcing or irritating the system, *it simply softens the food waste.* This enables the many tiny muscles in the walls of the intestines, contracting and expanding in their normal way, to squeeze the food waste along so that it passes naturally out of the system.

Nujol thus prevents constipation because it helps Nature maintain easy, thorough bowel evacuation at regular intervals—the healthiest habit in the world.

Nujol is absolutely harmless and pleasant to take. Try it.

Nujol is sold by all druggists in sealed bottles only, bearing Nujol Trade Mark. Write Nujol Laboratories, Standard Oil Co. (New Jersey), 30 Broadway, New York, for booklet "Thirty-Feet of Danger".

Oh How Glorious to Be Free From Rheumatism's Tortures!

Just suppose you could be free from your deep-seated, agonizing rheumatic aches and pains, your stiff joints and unsightly swellings! Wouldn't you give anything to get rid of them?

You have doubtless rubbed on outside treatments; most rheumatism sufferers have. Some of these take the edge off the terrible pains for a few hours, but they do not strike at the cause, which nearly always lies in the poisoned, impoverished blood.

When this is so, you need an internal remedy, one that will take out the impurities that are torturing you, one like famous S.S.S., which has relieved thousands of cases of rheumatism all over the country just this way.

Get S.S.S. from your druggist today, and after starting with it write us a history of your case, addressing Chief Medical Advisor, 177 Swift Laboratory, Atlanta, Georgia.

We shall never forgive ourselves for having failed to be there. If there is anything we dote on it is saltato bowing. As to the left handed pizzicato we would not venture, as we never have tasted the southpaw variety.—Terre Haute (Ind.) Tribune.

Husband Mustn't be Over 50, Says Girl Who'll Wed for $1,000

Trenton, New Jersey, March 23—"Yes, fifty, 's all right, but he mustn't be over fifty."

Fifteen year old Dorothy Miller was talking about her future husband—the man whom she perhaps has never seen, but to whom she expects to be betrothed before the week is out.

His duty will be to hand over immediately $1,000 for a surgical operation which Dorothy's mother is to undergo Sunday. For this he will receive a pledge that Dorothy will become his bride October 23, 1923, her 18th birthday anniversary.

"Above all things," the girl continued, "he must be refined, intelligent and independent. Of course, it may be, I won't be able to hold out on details. But I'd rather have him tall, slender and dark. Above all things he must be a practical business man. I come from a family of poets and it seems they never get anywhere. I am tired of these dreamy folks."

The Millers are in straightened circumstances because the girl's father is out of a job owing to the retrenchment policy of the Pennsylvania Railroad. He was a brakeman. It was not until yesterday that Dorothy's plans, which, unknown to her mother, she had posted to the newspapers, were learned.

"I'll be married when I am 18 I'll be of age and you won't have any say in the matter, Dorothy suggested.

Although Mrs. Miller said she was horrified she didn't look it. Neither did Mr. Miller. Like Dorothy, they seemd to get considerable fun speculating on the size, shape and makeup of the man who is to bob up with the $1,000. Dorothy is of medium height, weighs about 135 pounds and has a wealth of blonde tresses that hang over her shoulders.

BLAST HURLS STUDENTS OUT THROUGH WINDOWS

Atlanta, Ga., March 23.—An explosion of gas between the floors of the physiology building at Emory University here yesterday wrecked the pharmacology department and seriously injured fourteen students and instructors. About thirty other members of the sophomore class in chemistry received minor hurts. All will recover, it was stated.

The blast lifted the floor from the room where the class was in session throwing some of the students against the ceiling, while others were blown through the windows.

TWO DRY AGENTS KILLED ON RANCH

El Paso, Texas, March 23.—Prohibition officers S. E. Beckett and Arch Wood were killed here yesterady from bullets fired from a house on Spearman hog ranch. The officers were searching for contraband liquor at the time of the killing.

Soon after the shooting a posse of deputy sheriffs went to the scene of the tragedy. Search is being made for C. P. Spearman, owner of the ranch, and his son, Neal Spearman, the latter being under indictment charged with unlawful possession of liquor.

The two officers were ordered to halt as they approached the ranch house. The order was followed by a volley of shots.

MRS. HANNA SEEKS DIVORCE

Pittsfield, Mass., March 23.—Divorce proceedings have been started in Berkshire county Superior Court here by Mrs. Dan R. Hanna, of Lenox, against her husband Dan R. Hanna, son of the late Mark Hanna. Cruel and abusive treatment is charged and Mrs. Hanna seeks alimony.

Papers were served on Mr. Hanna at Great Barrington by Deputy Sheriff Edgar N. Pierce about a month ago, it was learned yesterday, but absolute secrecy concerning the case has been preserved till today.

INGROWN TOE NAIL TURNS OUT ITSELF

A noted authority says that a few drops of "Outgro" upon the skin surrounding the ingrowing nail reduces inflammation and pain and so toughens the tender, sensitive skin underneath the toe nail, that it can not penetrate the flesh, and the nail turns naturally outward almost over night.

"Outgro" is a harmless, antiseptic [illegible] for chiropodists. However, [illegible] can buy from the drug store a tiny bottle containing directions.

SHOES WEAR LONGER

When you walk in comfort; so do stockings.
